Tuglet

The TUGLET is a battery powered mobile towing unit with a capacity of 500kgs for moving a variety of trolleys. It is designed to save operator effort when pushing or pulling trolleys, eliminating back or shoulder strain.

The TUGLET includes the latest developments in D.C. geared motors with automatic electromagnetic park braking, as well as a high capacity programmable controller.

Features include:

- Quiet smooth operation
- No licence required
- Ease of handling
- High manoeuvrability
- Low maintenance
- Easy interaction with a range of trolleys
- Ability to handle heavy loads
- Non marking tyres for indoor use

All TUGLETS are Australian made to provide the highest quality and suitability for your application. Full product training and service contracts are available.

Ask about our leasing options.

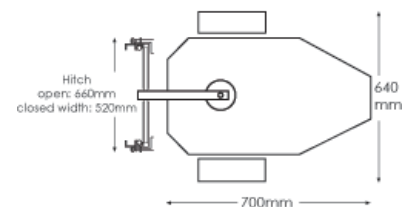

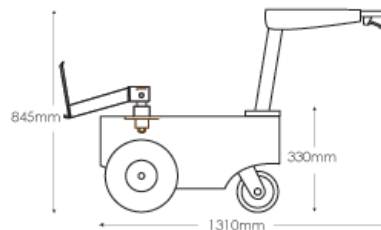

Product codes

Electrodrive Tuglet - 500kg	TL
Optional Extra Horn fitted to tiller arm	EL-HORN

Dimensions:

Capacity: 500 kg
 Height: 845 mm
 Length: 1310 mm
 (tiller handle down)
 Width: 640 mm
 Weight: 140 kg
 Voltage: 24V
 Range: approx. 12 km (depending
 on workload: slope, patient
 weight, etc)
